

## STEFES Multi Glass Cleaner

### **Performance:**

1. Formulated without solvents and glycol ether
2. Readily biodegradable
3. VOC exempt
4. Fast evaporation
5. Safe on plastics
6. Streak-and smear free
7. Lower cost than traditional glass cleaners

### **Alternative use for the same formulation:**

1. Multi-surface cleaner
2. Summer windshield wash
3. TV and electronic screen cleaner
4. Can be used as stainless-steel cleaner (no shining; no fingerprint resistance)
5. Ammonia can be removed (flexible recipe)

### **Application:**

Usually applied with spray bottle.

Wipe off with cloth etc.

One application only

### **Storage conditions:**

Keep away from frost

Storage Temperatures: 5°C-50°C

### **Additional Information:**

Ready to use

pH: < 11,5

Shelf-life: > 2 years
